CC: Tami Fordham/R10/USEPA/US@EPA

Good Morning, All,

What a great "get together" we had with the EPA representatives yesterday. Thanks to all for its' success!

Tami Fordham requested that we provide her with the power point presentations and posters displayed. I have included her email address in the "cc" above.

Kim Williams was going to forward Tami the power point presentations; do you have all of them, Kim? (BBC Todd Radenbaugh, Nunamta Kim Williams, BBNA EPA/IGAP Sue Flensburg, Rick Halford, City of Dillingham Planning Department Jody Seitz) If you would get back to me with any power points you do not have, we will attempt to get them.

Sue, can you please get all of the posters you, staff, and the Bristol Bay Campus assisted with to Tami?

Billy and Christopher, please send the Curyung Tribal Council posters displayed.

Thanks again, all!
